ELYSIUM NETWORK IN A TWEET

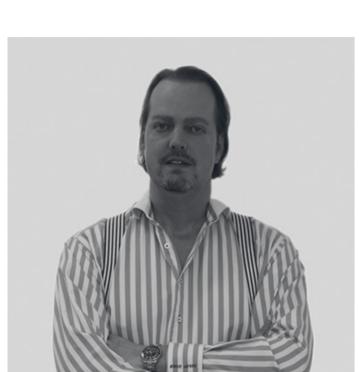

At Elysium we have been continuously transforming the traditional money management industry, in order to open financial opportunities to everyone, everywhere.

SENIOR MANAGEMENT

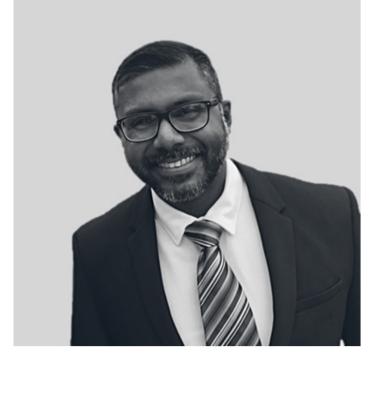

We're Democratising Wealth.

Fred Pascal Stege, LL.B, MBA. Founder and CEO. Chief Legal Officer

Fred is an experienced C-level executive with a law enforcement background. An entrepreneur and tech investor with a demonstrated history of working in management consulting roles in the affiliate marketing industry, he has a proven track record of success in Operations, Finance, Financial Markets, Trading, Marketing, Management and Sales in multi-billion US\$ ventures.

Fred has founded and managed several investment funds as well as his own family office, Stege- Beaufort. He has released several publications on linguistic marketing and has a recent post-MBA education, PLD, from Harvard Business School. Fred is also a frequent guest lecturer at several European top-tier universities.

Daniel John Masih, CS. Chief Operation Officer

Daniel is originally from Singapore. After his computer science studies he launched multiple endeavors in the finance and luxury publishing industry, the latter resulting in publications with a readership of over 320,000 subscribers per annum.

In addition to his above-mentioned endeavours Daniel assumed business development roles as an external partner

for HSBC bank, Standard Chartered Bank and American Express. Daniel created and implemented a highly successful and award-winning venture with HSBC which, with a team of 270 other staff, saw Daniel break all HSBC sales records for the Asia-Pacific region. Daniel has developed a compliance department to regulate the legalities involved in Customer Identity Theft and other banking codes of conducts, that have been approved by the Monetary Authority of Singapore. In Sweden Daniel has consulted for companies in the financial and automotive sector, including Volvo and Porsche, in their IT and Marketing departments.

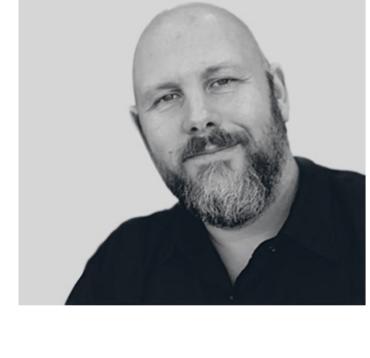

Mattias A. Larsson, MBA. Investment Officer & Senior Analyst

Risk and Bank Management. He has achieved the highly coveted position of being added to the Dean's List for outstanding academic performance. He is also a member of Phi Eta Sigma Honor Society. In his professional banking career, Mattias has held positions as Portfolio Manager, Trader & Senior Analyst (IKC Fonder), Stock & Derivatives Broker, (Sparbanken Syd) Client Investment Adviser (Sparbanken Finn), Private Banking, SWAP Dealer at the Fixed Income & Derivatives Desk (Danska bank), and Senior Associate (Saxo bank). Mattias is a licensed Investment Adviser and holds several licenses, including: ACI Dealing, SWEDSEC, Swedish Insurance Broker, Nasdaq OMX Genium Inet.

Shalini Persson, LL.M. Compliance Officer - KYC-AML Shalini graduated from Lund University with a Master of Law degree and completed her business studies at the IHM business school. She has been legal adviser to numerous direct-sales companies in an ad hoc legal team with our

own CEO, Fred P. Stege. In a consulting role, she has advised numerous SME's on communication, feedback research, Harvard's DiSC Model of Behavior, and compatibility assessments. Furthermore Shalini founded the Lions Club "Be The Change", a nonprofit with the mission of supporting the work of Dr. Denis Mukwege (Nobel Peace Prize Winner 2019) for women and children in Congo who have survived sexual violence. Shalini serves as a trainer and keynote speaker in communication and feedback to organisations including the Absolut Company, Epiroc and the Swedish Parliament.

Scott Lindahl, Head of CRM Scott studied Humanities in Sweden and Logistics and Communication in the USA. With over 25 years of docu-

mented experience in Client Relationships, spanning two continents, Scott has held established, long-term consulting positions with international conglomerates including Volvo and Wallenius Wilhelmsen Logistics. Scott is innovative in his approach to business and managing client relationships. He has an encyclopaedic knowledge of Client Services and has an instinctive ability to effectively communicate and implement best practices. Prior to joining Elysium, Scott spent five years launching and managing the Client Relationship Department for an American direct selling Inc. 500 company with a worldwide footprint.

Kerli holds a bachelor's degree in Accounting from the Tallinn school of Economics. She has held senior positions as a Chief Accountant and has developed and implemented several accounting, auditing and reporting solutions for companies and organisations which have ranged from larger direct selling ventures
